

Session Program

5-6 Aug 2025

ETL Days (Boston & CERN)

Detector safety and protection system design

CERN, 61/1-009 - Room C

Wednesday 6 August

11:45

Detector safety and protection system design: Detector safety and protection system design

Session | **Location:** CERN, 61/1-009 - Room C | **Convener:** David Stuart

11:45-12:00 **Status of ETL Safety System**

Speaker
Mihailo Lukovic

12:00-12:10 **Discussion**

12:10-12:30 **DSS/DCS Action Matrix and FSM**

Speaker
Slawomir Marek Tkaczyk

12:30-12:45 **Discussion**

12:45-13:05 **Open questions and developing a plan towards testing & production**

Speaker
David Stuart

13:05-13:20 **Discussion**

13:20
