

Session Program

7-9 Jan 2026

NuPhys2026: Prospects in Neutrino Physics

Plenary Session

King's College London
King's College London, Strand, London, WC2R 2LS

Wednesday 7 January

09:30

Plenary Session

Session | **Location:** King's College London, Safra Lecture Theatre

09:30–09:40 **Welcome**

Speaker

Francesca Di Lodovico

09:40–10:10 **Oscillation parameters status and prospects**

Speaker

Mayly Sanchez

10:10–10:40 **Modern Neutrino Oscillation Theory**

Speaker

Dr Peter Denton

10:40
