PERIMETER INSTITUTE FOR THEORETICAL PHYSICS

Perimeter Institute @CERN HST 2026

All resources can be downloaded free of charge from resources.perimeterinstitute.ca

Morning Session

Black Box Model	Process of Science
Dark Matter Lab	The Mystery of Dark Matter
Climate Change activities	Evidence for Climate Change

Afternoon Session

Wooden Blocks	Nature of Science
Particle Card Sort	Beyond the Atom
Wave-Particle Duality	Challenge of Quantum Reality
Electron Orbitals	Beyond Bohr: A Quantum Approach to the Atom
MHD Design Challenge	Fields

Other Resources that might interest you:

- Contemporary Physics (Particle Detectors)
- Black Holes
- Revolutions in Science
- The Expanding Universe

Don't forget to check out the posters and breakout activities too!

Teacher courses: Sign up for the courses being offered this summer.
