

Implications of LHC results for TeV-scale physics: WG2 meeting

Monday, 31 October 2011

Simplified models versus cascade decays - TH Theory Conference Room (11:00 - 12:30)

time	[id] title	presenter
11:00	[3] From simplified models to cascade decays and back	BAER, Howard
11:35	[5] Simplified models in ATLAS	MARSHALL, Zachary Louis
12:00	[6] Simplified models in CMS	MRENNNA, Steve
