

Implications of LHC results for TeV-scale physics: WG2 meeting

Monday, 31 October 2011

Implications and interpretation continued - TH Theory Conference Room (16:00 - 18:15)

time	[id] title	presenter
16:00	[4] Constraints and scenarios at the end of the 7 TeV run from pMSSM scans	MAHMOUDI, Nazila
16:20	[12] Implications from/for Higgs searches	BELANGER, Genevieve
16:40	[13] LH Recommendations for presenting LHC results	SEKMEN, Sezen
17:05	[18] Discussion (on presentation of LHC results)
