Session Program

August 28, 2026 to September 10, 2026

QCD Master Class 2026

Aspects of the theory of heavy-ion collisions

Saint-Jacut-de-la-Mer, France

Sat, August 29

10:30 AM
12:30 PM

Aspects of the theory of heavy-ion collisions: Lecture #1

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Sun, August 30

8:00 AM

10:00 AM

Aspects of the theory of heavy-ion collisions: Lecture #2

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Mon, August 31

10:30 AM

12:30 PM

Aspects of the theory of heavy-ion collisions: Lecture #3

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Tue, September 1

8:00 AM

10:00 AM

Aspects of the theory of heavy-ion collisions: Lecture #4

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Wed, September 2

10:30 AM

12:30 PM

Aspects of the theory of heavy-ion collisions: Lecture #5

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis
