

## **Session Program**

**28 August 2026 to 10 September 2026**

## **QCD Master Class 2026**

### ***Aspects of the theory of heavy-ion collisions***

Saint-Jacut-de-la-Mer, France

## Saturday 29 August

10:30

12:30

### **Aspects of the theory of heavy-ion collisions: Lecture #1**

**Session** | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

## Sunday 30 August

08:00

10:00

### **Aspects of the theory of heavy-ion collisions: Lecture #2**

**Session** | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

## Monday 31 August

10:30

12:30

### **Aspects of the theory of heavy-ion collisions: Lecture #3**

**Session** | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

## Tuesday 1 September

08:00

10:00

### **Aspects of the theory of heavy-ion collisions: Lecture #4**

**Session** | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

## Wednesday 2 September

10:30

12:30

### **Aspects of the theory of heavy-ion collisions: Lecture #5**

**Session** | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis
