

AIDA Advisory Committee

Alan Bross	FNAL
Mikhail Danilov	ITEP
Geoff Hall	Imperial College
John Harvey	CERN
John Jaros	SLAC
Peter Jenni	CERN

30 March 2012

Preliminary remarks

- Mandate
 - Not yet formally defined, but generally to provide feedback on AIDA progress and accomplishments, as seen from outside the project
 - We all agreed to participate in the annual meeting
 - Pleasant, productive and interesting
 - Then write a very short summary of our observations.
 - We expect to collect remarks and deliver within a few weeks.
