

## Session Program

19-21 Nov 2025

## Flavours at FCC Workshop

### ***WG5: tau and selected EW***

CERN, 4/3-006 - TH Conference Room

## Friday 21 November

10:15

### WG5: tau and selected EW

**Session** | **Location:** CERN, 4/3-006 - TH Conference Room

10:15-10:25 **Introduction**

10:30-10:50 **Theoretical perspective on tau decays: LFU and LFV**

**Speaker**

Lukas Allwicher

10:55-11:10 **Status and prospects for hadronic tau decays at FCC-ee**

**Speaker**

Antonio Rodriguez Sanchez

11:15-11:30 **Measurement of Tau Properties at FCC-ee**

**Speaker**

Alberto Lusiani

11:35-11:50 **Taus at Belle II**

**Speaker**

Justine Serrano

11:55-12:10 **Electroweak AFB and Tau Polarization measurements at FCC-ee**

**Speaker**

Romain Madar

12:15
