

Session Program

26 November 2025

Joint DRD5-Unicorn workshop on radiation damage to quantum dots

Applications

CERN, 222/R-001
222/R-001

Wednesday 26 November

16:20

Applications

Session | Location: CERN, 222/R-001, 222/R-001

16:20-16:40

NanoCal: Development of nanocomposite scintillators for high-energy physics

Speaker

Matthew David Moulson

16:50-17:10

Towards chromatic calorimetry using nanocomposites

Speaker

Vojtech Zabloudil

17:20
