

Confronting Theory with Experiment: Puzzles, Challenges and Opportunities in the LHC Era

Thursday, 17 November 2011

NLO and NNLO calculations for the LHC - Curia II (16:00 - 18:00)

time	[id] title	presenter
16:00	[10] NLO scale dependence and error estimation	SOPER, Davison
16:30	[11] NLO and NNLO wishlists/use	HUSTON, Joey
17:00	[12] Future of NLO/NNLO calculations	CAMPBELL, John
17:30	[13] Additional discussion from the day's sessions
