

Session Program

10-12 Apr 2006

Institute of Physics: Particle Physics 2006

Plenary 2

University of Warwick

Tuesday 11 April

14:00

Plenary 2

Session | **Location:** Lecture Theatre 3

14:00–14:45

Lattice QCD Confronts Experiment

Speaker

Prof. Christine Davies

14:45–15:30

Recent Advances in Detector Technologies

Speaker

Paula Collins

15:30
