

The XIth International Conference on Heavy Quarks and Leptons

Thursday, 14 June 2012

Lepton Flavour Violation (08:30 - 10:10)

-Conveners: Tomas Blazek; giancarlo piredda

time	[id] title	presenter
08:30	[62] LFV Theory talk	Prof. ANTUSCH, Stefan
08:55	[37] Search for charged-lepton-flavor-violation in rare muon decays	VOENA, Cecilia
09:20	[89] Muon to e Conversion: Experimental Status in Japan and US	MILLER, James
09:45	[27] Lepton Flavor Violation in tau and B meson decays.	CALVI, Marta
