

Session Program

1-2 Jul 2026

COMETA workshop on polarization tagging for hadronic boosted bosons

Jet substructure and flavour tagging

Perugia, Aula Magna Agraria Department
Università di Perugia, Borgo XX giugno, 74 - 06121 Perugia.

Wednesday 1 July

11:00

Jet substructure and flavour tagging

Session |

Location: Perugia, Aula Magna Agraria Department, Università di Perugia, Borgo XX giugno, 74 - 06121 Perugia.

11:00-11:30

Traditional jet-substructure observables

Speaker

Lorenzo Mai

11:30-12:00

Flavour tagging in ATLAS and CMS with machine learning

Speaker

Alessandro Calandri

12:00-12:30

Jet substructure with machine learning

Speaker

Sophia Vent

12:30
