

## Session Program

1-2 Jul 2026

## **COMETA workshop on polarization tagging for hadronic boosted bosons**

### ***MC modeling (including polarisation)***

Perugia, Aula Magna Agraria Department  
Università di Perugia, Borgo XX giugno, 74 - 06121 Perugia.

## Thursday 2 July

08:30

### MC modeling (including polarisation)

**Session** |**Location:** Perugia, Aula Magna Agraria Department, Università di Perugia, Borgo XX giugno, 74 - 06121 Perugia.

08:30–09:00

**Modeling hadronic decays in MC generators**

09:00–09:30

**TBA**

09:30–10:00

**Discussion**

10:00
