

**Session Program**

**8-9 Dec 2011**

**First Open Collaboration Meeting on  
Superconducting Linacs for High Power  
Proton Beams (SLHiPP-1)**

***RF coupler design and tests***

CERN

## Friday 9 December

11:15

### RF coupler design and tests

**Session** | **Location:** CERN, 222/R-001 | **Convener:** Eric Montesinos

11:15–11:45

#### Recent fundamental power coupler designs and tests

**Speaker**

Eric Montesinos

11:45–12:15

#### Cleaning of fundamental power couplers (JLAB)

**Speaker**

Mircea Stirbet

12:15–12:30

#### Linac4 TaCo (tuner adjustable coupler)

**Speaker**

Patricia Ugena Tirado

12:30
