Session Program

29 June 2026 to 3 July 2026

Gearing up for Future Colliders — Workshop on Radiative Corrections at Future Lepton Colliders

ZH production for Higgs studies

CERN, 4/3-006 - TH Conference Room

Thursday 2 July

09:15

ZH production for Higgs studies

Session | **Location:** CERN, 4/3-006 - TH Conference Room

09:15–10:00 **General overview for ZH production**

Speaker
Ayres Freitas

10:30–11:00 **Higher order calculations for ZH production**

Speaker
Qian Song

11:30

13:00

ZH production for Higgs studies

Session | **Location:** CERN, 4/3-006 - TH Conference Room

13:00–13:30 **Matching fixed order EW with QED showers**

Speaker
Marek Schoenherr

13:45–14:15 **Status and propects for Higgs decay calculations**

Speaker
Michael Spira

15:00
