

Session Program

21-22 Apr 2026

Einstein Telescope Vacuum and Cryogenics Industrial Workshop: opportunities and challenges

Cryogenics session

CERN, 30/7-018 - Kjell Johnsen Auditorium

Wednesday 22 April

11:25

Cryogenics session

Session | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium | **Convener:** Fulvio Ricci

11:25-11:45 **Overview of the cryogenic issues in ET:**

Speaker

Steffen Grohmann

11:45-12:05

The double role of the cryopumps in ET-LF: assumptions and conceptual design

Speaker

Stefan Hanke

12:05-12:25 **Cryo-Payloads configuration and R&Ds:**

Speaker

Ettore Majorana

12:25
