

## **Session Program**

**21-22 Apr 2026**

# **Einstein Telescope Vacuum and Cryogenics Industrial Workshop: opportunities and challenges**

***Cryogenics sessions - presentations by  
industry***

CERN, 30/7-018 - Kjell Johnsen Auditorium

## Wednesday 22 April

13:25

### Cryogenics sessions - presentations by industry

**Session** | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium | **Convener:** Fulvio Ricci

13:25-13:40 **MITIS - Cryogenic Turbo-Brayton**

13:40-13:55

**Kriosystem - Optimization of thermal links used in cryogenic technology**

13:55-14:10 **Astroflex - Flexible metal hoses and bellows**

14:10-14:25 **Fijn Mekaniek Nelissen - High-precision manufacturing for ET**

14:25-14:40 **Technetics - Metal seals for ET**

14:45
