

TeV Scale Gravity at the LHC

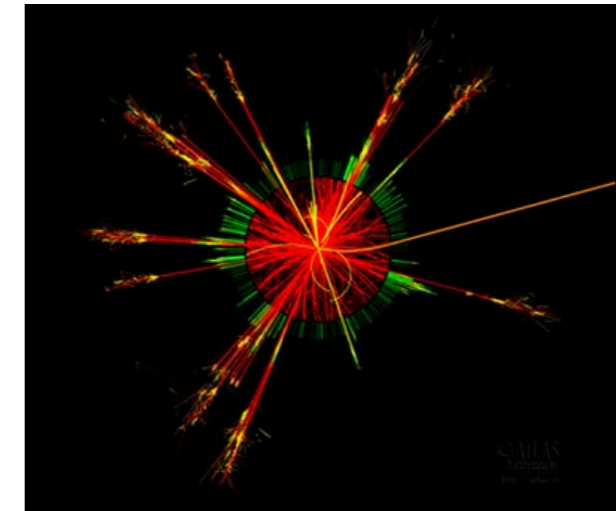

- Welcome
- IoP
- Agenda / Introduction

IOP HEPP Groups

<http://www.iop.org/activity/groups/subject/hepp>

What a membership gives you:

- These wonderful **half-day meetings!** **
- Monthly subscription to **Physics World**.
- The right to vote on IOP HEPP decisions.
- Student access to **travel & conference funds**.
- A choice of other IOP groups to join.
- Regular IOP HEPP newsletters.
- Access to the Members' room in London.
- **With your membership, we could do even more!**

Join us!

Membership forms:

<http://www.iop.org/Membership>

**Half-day meetings are funded by IOP HEPP up to £500 per meeting.

Contact: cigdem.issever@cern.ch

More info: <http://www.heppcommunity.org.uk/half-day-meetings/>

Unfortunately:

- one speaker could not make it to QM
- one speaker taken ill

12:00 Shorter agenda than planned
Nevertheless three very interesting talks:

	Refreshments	
	<i>Museum (first floor), Queen Mary, University of London</i>	12:30 - 13:00
13:00	Welcome	<i>RIZVI, Eram Syed</i>
	<i>Physics Lecture Theatre, Queen Mary, University of London</i>	13:00 - 13:05
	Status of Experimental Searches	<i>FROST, James</i>
	<i>Physics Lecture Theatre, Queen Mary, University of London</i>	13:05 - 13:45
14:00	Hawking Emission From Quantum Black Holes	<i>WINSTANLEY, Elizabeth</i>
	<i>Physics Lecture Theatre, Queen Mary, University of London</i>	13:45 - 14:25
	Black Hole Quasi-Normal Modes	<i>CORNELL, Alan</i>
15:00	<i>Physics Lecture Theatre, Queen Mary, University of London</i>	14:25 - 15:05
	Coffee	
	<i>Museum (first floor), Queen Mary, University of London</i>	15:05 - 15:25
