

Session Program

29-30 Apr 2026

BHSC 2026 Spring Meeting

Presentations 29th a.m. - 2

CERN, 500/1-001 - Main Auditorium

Wednesday 29 April

10:40

Presentations 29th a.m. - 2

Session | **Location:** CERN, 500/1-001 - Main Auditorium | **Convener:** Roberto Ales Bozzi

10:40-11:00

Challenges and solutions for Respiratory Equipment in Beryllium Industry

Speaker

Mr Paul Walsh

11:00-11:20

Quantitative Assessment of Particulate Generation in Beryllium Processing Operations at CERN

Speaker

Mickael Denis Crouvizier

11:20-11:40

Beryllium Health & Safety in Fusion Materials Research and Laboratory Decommissioning at KBHF

Speaker

Mr Aniceto GORAIEB

11:40-12:00

The Benefits of Wet Decontamination for the Beryllium Industry

Speaker

Daniel Williams

12:00
