

Session Program

26-30 Mar 2012

**Implications of LHC results for TeV-scale
physics**

WG2 parallel

CERN

Thursday 29 March

09:00

WG2 parallel

Session | **Location:** CERN, 4/3-006 - TH Conference Room

09:00–09:25

Joint ATLAS+CMS Simplified Models talk

Speaker

Mariarosaria D'Alfonso

09:30–09:50

SUSY with extended gauge symmetries

Speaker

Werner Rudolf Porod

09:55–10:20

Implications of LHC results for Linear Collider physics

Speaker

Gudrid Moortgat-Pick

10:30
