

Session Program

26-30 Mar 2012

Implications of LHC results for TeV-scale physics

WG1 parallel

CERN

Thursday 29 March

16:30

WG1 parallel: WW scattering

Session | Location: CERN, 4/3-006 - TH Conference Room

16:30-16:55 **Unitarized models of VV scattering at the LHC from 7 to 14 TeV**

Speaker

Ezio Maina

16:55-17:20 **WW scattering (theory)**

Speaker

Dieter Zeppenfeld

17:20-17:45 **WW scattering: update of Whizard/Sherpa studies**

Speaker

Ulrike Schnoor

18:10
