

Session Program

26-30 Mar 2012

**Implications of LHC results for TeV-scale
physics**

WG3 parallel

CERN

Friday 30 March

11:00

WG3 parallel: Flavor

Session | **Location:** CERN, 4/2-011 - TH common room

11:00–11:30 **top and/or charm asymmetries from warped models**

Speaker

Cedric Delaunay

11:30–12:00 **Flavor contribution overview and discussion**

Speaker

Gino Isidori

12:30
