### WG1 parallel: Property determination

Session | Location: CERN, 4/3-006 - TH Conference Room

11:00-11:30 **Higgs couplings from SFitter**

**Speaker**

Dirk Zerwas

11:30-12:00 **Towards the fit of Higgs couplings with early LHC data**

**Speaker**

Michael Duehrssen

12:00-12:30 **MELA: Spin, parity, and couplings of a Higgs-like resonance**

**Speaker**

Nhan Viet Tran

12:30-12:45 **Look Elsewhere Effect**

**Speaker**

Alex Read

12:45-13:00 **Potential misunderstandings in the  $H \rightarrow \gamma\gamma$  search**

**Speaker**

Bill Murray
