

**Session Program**

**25 June 2007 to 10 August 2007**

**LHC - Cosmology Interplay**

***Miniworkshop***

CERN PH-TH

# Friday 20 July

09:30

## Miniworkshop

Session | Location: CERN PH-TH, TH AMPHITHEATRE

09:30-09:55 **Electroweak baryogenesis**

**Speaker**

Stefan Huber

10:00-10:25

**Predictive model for dark matter, dark energy, neutrino masses and leptogenesis at the TeV scale**

**Speaker**

Narendra Sahu

10:30-10:55

**A graceful exit for old inflation and a possible solution to the hierarchy problem**

**Speaker**

Alessio Notari

10:55-11:25 **break**

12:30
