

Session Program

28 November 2011 to 2 December 2011

Zimányi 2011 Winter School on Heavy Ion Physics

Fragmentation and other models

MTA KFKI RMKI, Building 3, Council room (Tanácssterem)
1121 Budapest, Konkoly Thege Miklós út 29-33

Monday 28 November

14:00

Fragmentation and other models

Session |

Location: MTA KFKI RMKI, Building 3, Council room (Tanácterem), 1121 Budapest, Konkoly Thege Miklós út 29-33

14:00-14:30

Tsallis-Pareto-like fragmentation functions based on $e^+ + e^-$ annihilations

Speaker

Gergely Kalmár

14:30-15:00

Non-extensive Statistics in Parton Fragmentation

Speaker

Károly Ürmössy

15:00-15:30

Entropy Production and Particle Yields in Heavy Ion Collisions at LHC

Speaker

Béla Lukács

15:30
