

Session Program

6-10 Feb 2012

LHC Performance Workshop - Chamonix 2012

S08 -LHC-related projects and studies part (I)

Chamonix

Thursday 9 February

17:00

S08 -LHC-related projects and studies part (I)

Session | **Location:** Chamonix | **Conveners:** Roland Garoby, Laurette Ponce

17:00–17:10 **Will ALICE be running during the HL-LHC era?**

Speaker

Johannes Wessels

17:15–17:25 **Will LHCb be running during the HL-LHC era?**

Speaker

Burkhard Schmidt

17:30–17:50 **HL-LHC operation with protons and ions**

Speaker

Oliver Brüning

18:00–18:20 **Can the proton injectors meet the HL-LHC requirements after LS2?**

Speaker

Brennan Goddard

18:30–18:50 **Necessary LIU studies in the injectors during 2012**

Speaker

Giovanni Rumolo

19:00–19:20 **SPS: scrubbing or coating?-**

Speaker

Jose Miguel Jimenez

19:30–19:50 **Plans for ions in the injector complex**

Speaker

Django Manglunki

20:00
