

BEACH 2012 - 10th International Conference on Beauty Charm Hyperons in Hadronic interactions

Monday 23 July 2012

Opening session (10:00 - 12:40)

-Conveners: Marco Bozzo

time	[id] title	presenter
10:00	[0] Welcome	MEYER, Holger
10:10	[1] Cabibbo mixing and the experiments that proved it	WINSTON, Roland
11:10	[2] Studies of beauty and charm quark production and decays with the CMS experiment	PERROZZI, Luca
11:40	[3] Heavy flavour production and spectroscopy at LHCb.	DE SIMONE, Patrizia
12:10	[4] Rare and CP violating kaon decays: A probe of TeV scale physics	GORBAHN, Martin
