Flavours at FCC Workshop - Part II

WG1: rare decays

CERN, 500/1-001 - Main Auditorium

Wednesday 17 June

14:00

WG1: rare decays

Session | **Location:** CERN, 500/1-001 - Main Auditorium

14:00–14:30 **WG1 Intro and theory overview**

Speaker

Wolfgang Altmannshofer

14:30–15:00 **$B \rightarrow K^{*} \tau \tau$ with full simulation**

Speaker

Armin Ilg

15:00–15:30 **Rare B decays with invisible final states**

Speaker

Ella Wood

15:30

16:00

WG1: rare decays

Session | **Location:** CERN, 500/1-001 - Main Auditorium

16:00–16:30 **New PID flavour tools and case studies**

Speaker

Anja Beck

16:30–17:00 **Polarized Λ_b baryons**

Speaker

Michal Kreps

17:00–17:30 **$B_s \rightarrow \tau \tau$ studies**

Speaker

Tobias Alexandre Monnard
