

**Session Program**

9-13 Feb 2026

**ESAS International School on Applied  
Superconductivity**

***Session 7***

# Friday 13 February

11:20

## Session 7: Modeling superconducting devices

Session

11:20-12:20 **Examples of quench and AC loss modeling techniques**

### Speakers

Antonio Macchiagodena, Lorenzo Cavallucci

13:05

12:20-13:05 **Final Exam: check your understanding**
