Jet & Photon

Session | **Location:** CERN, 40/S2-C01 - Salle Marie Sklodowska-Curie | **Conveners:** Prof. Juan Terron Cuadrado, Daniel Camarero Munoz

09:00–09:25 **Prompt photon production with two jets in POWHEG**

Speaker
Michael Klasen

09:40–10:05 **Modelling limitations: feedback from JetEtMiss**

Speaker
Amartya Rej

10:20–10:45
Modelling limitations: feedback from analyses on jets and/or photons as well as others

Speaker
Line Delagrange

11:00–11:30 **Coffee Break**

11:30–11:45 **Diphoton+2jet production using MadGraph**

Speaker
Timothee Theveneaux-Pelzer

11:50–12:05 **Multijet production using MadgGraph**

Speaker
Jerry Wu

12:10–12:25 **Multijet production using Sherpa 3**

Speaker
Luca Sesto Colangeli
