

Session Program

5-10 Jun 2007

**Second National Conference and School on
Particle Physics**

Evening session

Primorsko
Primorsko, Bulgaria

Friday 8 June

17:30

Evening session

Session | **Location:** Primorsko, Primorsko, Bulgaria

17:30-18:30

MD simulations (Peicho Petkov, Univ. of Sofia)

18:30-19:00

CP violation in charged Higgs decays within the MSSM, Elena Ginina (Bulg. Acad. of Science)

19:00-19:30

Neutrino Factory beam monitoring through purely leptonic interactions (Yordan Karadzhov, Univ. of Sofia)

19:30
