

Session Program

23-25 Sept 2026

Multi-Boson interactions 2026

Morning session 1

CIEMAT, Margarita Salas Auditorium
Av. Complutense 40, Moncloa, 28040 Madrid

Wednesday 23 September

09:00

Morning session 1

Session | **Location:** CIEMAT, Margarita Salas Auditorium , Av. Complutense 40, Moncloa, 28040 Madrid

09:00–09:15 **Introduction and welcome (15')**

09:15–10:00 **Measurements in VBF V and VBS VV (30'+15')**

10:00–10:45 **Overview of MC generators for multi-V production (30'+15')**

Speaker

Juergen Reuter

10:45

Thursday 24 September

09:00

Morning session 1

Session | **Location:** CIEMAT, Margarita Salas Auditorium , Av. Complutense 40, Moncloa, 28040 Madrid

09:00–09:45 **HH production (30'+15')**

Speaker

Giulia Di Gregorio

09:45–10:30

Overview of 2-loop effects in SMEFT predictions for Higgs observables (30'+15')

Speaker

Stefano Di Noi

10:30
