

Session Program

23-25 Sept 2026

Multi-Boson interactions 2026

Evening session 1

CIEMAT, Margarita Salas Auditorium
Av. Complutense 40, Moncloa, 28040 Madrid

Thursday 24 September

14:00

Evening session 1

Session | **Location:** CIEMAT, Margarita Salas Auditorium , Av. Complutense 40, Moncloa, 28040 Madrid

14:00–14:45 **Diboson Polarization and quantum entanglement (30'+15')**

Speaker

Alberto Carnelli

14:45–15:30 **Impact of Higgs boson measurements in SMEFT global fits (30'+15')**

Speaker

VICTOR Miralles

15:30–16:00 **Measurements in WW final states**

Speaker

Sergio Blanco Fernandez

16:00
