

Session Program

7-11 Jun 2026

2026 CAU-IBS Beyond the Standard Model Workshop

Flavor / Dark matter

Chung-Ang University
Graduate school 302-503, Chung-Ang University, Seoul 06974, Republic of Korea

Tuesday 9 June

09:30

Flavor / Dark matter

Session |**Location:** Chung-Ang University, Graduate school 302-503, Chung-Ang University, Seoul 06974, Republic of Korea

09:30-10:30

Searching for new physics using rare lepton transitions

Speaker

Jure Zupan

10:30

11:00

Flavor / Dark matter

Session |**Location:** Chung-Ang University, Graduate school 302-503, Chung-Ang University, Seoul 06974, Republic of Korea

11:00-11:30

New Physics Searches at BESIII

Speaker

Dr Liang Sun

11:30-12:00

Search for dark sector particles and other highlights from Belle II

Speaker

Prof. Youngjoon Kwon

12:00
