Session Program

7–8 Feb 2012

CERN openlab/Intel Workshop on Numerical Computing

Floating-point control in the Intel C/C++ compiler and relevant libraries

CERN, Building 593, Room 11

Wednesday 8 February

09:00
|
10:00

Floating-point control in the Intel C/C++ compiler and relevant libraries
Session | **Location:** CERN, Building 593, Room 11 | **Convener:** Martyn Corden
