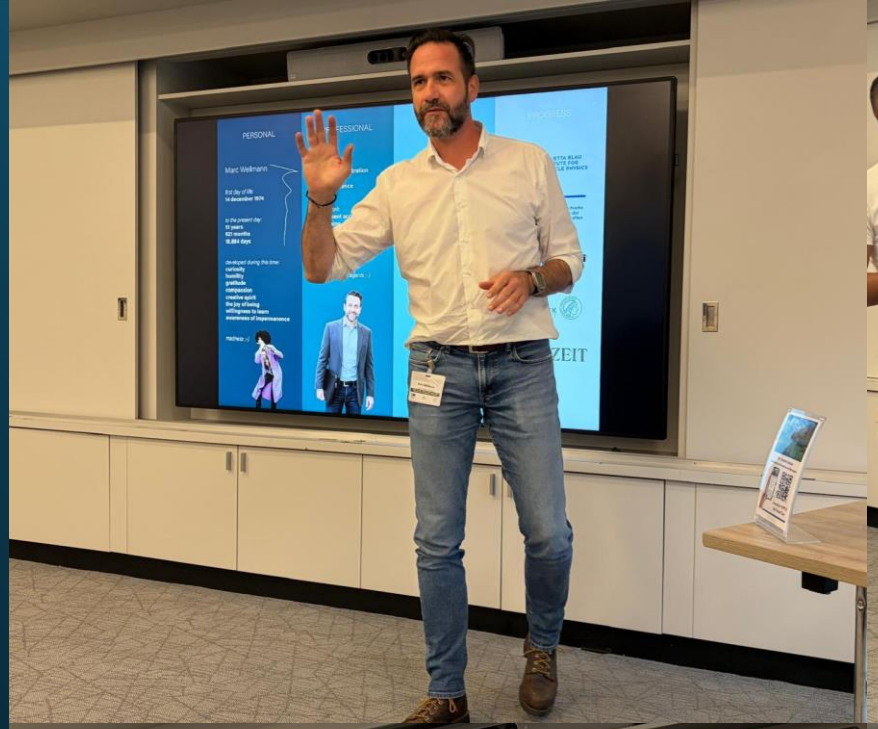
Daily updates – Monday 27 September

Yesterday: Self presentations (with a lot of personal styles…)



Who Am I?
- Oliver Geneser
- I'm 24 years old
- I work at CERN in the Zenodo team
- Before that, I worked ~3.5 years at a health tech c
had my own company, where I did 3D printing and s
consulting.
- In my free time, I enjoy hiking, climbing, and spend
nature in general
zenodo

Now we know!

...and dinner!

Welcome to Cosener's house

- Breakfast (7-9, Saturday 8-10)
- Lunches and dinners will be served in the same dining room as breakfast.
- Hotel bar adjacent to the dining room, at your own cost. (Only water will be served with dinner)
- Please make your selection for Thursday dinner!

Lightning talks

Still open for registration - we have space for more talks. 5 minute presentation, two minutes questions.

Lightning talk session: Tuesday afternoon at 16.15
