Online Proposal System

For each experiment at one of our facilities, a proposal outlining the scientific case must be submitted.

Visits

Please tell us when you are coming (even if you don't want accommodation or travel) so we can get things like passes ready for you.

Note: If your Principal Investigator has already done this for your group you do not need to do it again.

My Details

Please keep your personal details up to date so we can keep in touch. It is especially important you keep your email address up-to-date.

Facility Safety Test System

Please make sure you have passed the appropriate safety tests before coming to RAL. It is also important that they are do not expire just before you arrive or during your visit.

Experimental Risk Assessment System

ISIS Facility users only: Please ensure that at least one member of the experimental team due to visit ISIS has submitted an ERA for the experiment. This ERA must be approved in plenty of time in order for ISIS staff to properly prepare for your visit.

ISIS Facility Awareness

ISIS Facility users only: Please check you have read the facility awareness pages. You must have ticked to acknowledge you have read and understood the information in order for our staff to grant you access to the halls.
