

Session Program

18-22 May 2026

**18th Workshop on Particle Correlations and
Femtoscscopy (WPCF 2026)**

Photons & EoS

ELTE

Wednesday 20 May

09:00

Photons & EoS: Photons & EoS

Session | Location: ELTE

09:00–09:25 **Photon correlation functions**

Speaker

Dariusz Miskowiec

09:25–09:45 **Photon femtoscopy at HADES**

Speaker

Mateusz Grunwald

09:45–10:05 **Astrophysical constraints on the cold equation of state of the strongly interacting matter**

Speaker

Gábor Kasza

10:05–10:25 **Science with the Very Large Telescope Interferometer**

Speaker

József Varga

10:25–10:40 **Stellar Intensity Interferometry with VERITAS**

Speakers

Josie Rose, Josie Rose

10:40
