

Enabling Grids for E-science

Status of MPI support on the EGEE Grid

Stephen Childs
Trinity College Dublin

www.eu-egee.org

- **Overview of MPI on EGEE Grid**
- **Basic exercises on MPI usage**
- **More technical details on site config, testing, ...**
- **Tools available on I2G infrastructure**

- **Feedback on current configuration: does it meet your needs?**

- **If you want to cover anything else, let me know**

- **Wireless access should be available on the network “Conference”**
- **For exercises, log in to gridui.i2g.cs.tcd.ie**
 - Use username/password assigned to you
 - For EGEE exercises log into your home UI and use real Grid
 - For I2G exercises use gridui directly (will need to upload cert)
- **Presentations are on indico:**
