

# LHC Seminar

SPEAKER: Eva Halkiadakis (Rutgers, State Univ. of New Jersey (US))

TITLE: **Update on Searches for New Physics in CMS**

DATE: Tue 31/01/2012 11:00

PLACE: Council Chamber

## ABSTRACT

We present an update on a number of searches for New Physics, including SUSY and Exotica, based on the recent LHC data, up to the full statistics of  $\sim 5/\text{fb}$  recorded by the CMS experiment in 2011.
