

CMSDASia - CMS Data Analysis School in Taipei, Taiwan

Friday, 14 September 2012

Continued Work on Physics Measurements (Long Exercises): Exotica displaced ν (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): Higgs in 4 leptons (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): H low mass (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): Physics with taus (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with jets (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with photons (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): Top and top-like searches (09:00 - 10:20)

Continued Work on Physics Measurements (Long Exercises): Exotica displaced ν (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): Higgs in 4 leptons (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): H low mass (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): Physics with taus (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with jets (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with photons (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): Top and top-like searches (10:50 - 12:40)

Continued Work on Physics Measurements (Long Exercises): Exotica displaced ν (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): Higgs in 4 leptons (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): H low mass (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): Physics with taus (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with jets (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with photons (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): Top and top-like searches (13:50 - 15:40)

Continued Work on Physics Measurements (Long Exercises): Exotica displaced ν (16:10 - 18:00)

Continued Work on Physics Measurements (Long Exercises): Higgs in 4 leptons (16:10 - 18:00)

Continued Work on Physics Measurements (Long Exercises): H low mass (16:10 - 18:00)

Continued Work on Physics Measurements (Long Exercises): Physics with taus (16:10 - 18:00)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with jets (16:10 - 18:00)

Continued Work on Physics Measurements (Long Exercises): Search for new physics with photons (16:10 - 18:00)

Continued Work on Physics Measurements (Long Exercises): Top and top-like searches (16:10 - 18:00)
