

Session Program

11-15 Sept 2012

CMSDASia - CMS Data Analysis School in Taipei, Taiwan

***Teams Work on Physics Measurements (Long
Exercises)***

National Taiwan University, Taipei, Taiwan

Thursday 13 September

10:50

Teams Work on Physics Measurements (Long Exercises): Exotica displaced v

Session | Location: 500, National Taiwan University, Taipei, Taiwan

12:40

10:50

Teams Work on Physics Measurements (Long Exercises): H low mass

Session | Location: 600, National Taiwan University, Taipei, Taiwan

12:40

10:50

Teams Work on Physics Measurements (Long Exercises): Higgs in 4 leptons

Session | Location: 712, National Taiwan University, Taipei, Taiwan

12:40

10:50

Teams Work on Physics Measurements (Long Exercises): Physics with taus

Session | Location: 716, National Taiwan University, Taipei, Taiwan

12:40

10:50

Teams Work on Physics Measurements (Long Exercises): Search for new physics with jets

Session | Location: 304, National Taiwan University, Taipei, Taiwan

12:40

10:50

Teams Work on Physics Measurements (Long Exercises): Search for new physics with photons

Session | Location: 312, National Taiwan University, Taipei, Taiwan

12:40

10:50

Teams Work on Physics Measurements (Long Exercises): Top and top-like searches

Session | Location: 305, National Taiwan University, Taipei, Taiwan

12:40

13:50

Teams Work on Physics Measurements (Long Exercises): Exotica displaced v

Session | Location: 517, National Taiwan University, Taipei, Taiwan

18:00

13:50

Teams Work on Physics Measurements (Long Exercises): H low mass

Session | Location: 600, National Taiwan University, Taipei, Taiwan

18:00

13:50

Teams Work on Physics Measurements (Long Exercises): Higgs in 4 leptons

Session | Location: 712, National Taiwan University, Taipei, Taiwan

18:00

13:50

Teams Work on Physics Measurements (Long Exercises): Physics with taus

Session | Location: 716, National Taiwan University, Taipei, Taiwan

18:00

13:50

Teams Work on Physics Measurements (Long Exercises): Search for new physics with jets

Session | Location: 305, National Taiwan University, Taipei, Taiwan

18:00

13:50

18:00

Teams Work on Physics Measurements (Long Exercises): Search for new physics with photons

Session | **Location:** 406,National Taiwan University, Taipei, Taiwan

13:50

18:00

Teams Work on Physics Measurements (Long Exercises): Top and top-like searches

Session | **Location:** 500,National Taiwan University, Taipei, Taiwan
