GGUS:78172	SAM/Nagios	2012/01/12	2012/02/08	assigned	User ticket. Less urgent now changed to 'urgent'. SAM results for some services (Site-BDII, Top-BDII...) not obtainable from http://grid-monitoring.cern.ch/myegi . Other services, e.g. CREAM-CE are fine. Reminder sent to expert on 2012/02/08.
