

# International Conference on New Frontiers in Physics

## Thursday 14 June 2012

### Thursday Parallel Session IV (18:10 - 20:15)

time	[id] title	presenter
18:10	[241] Open heavy flavor and quarkonia measurements in heavy ion collisions at RHIC.	BIELCIK, Jaroslav
18:35	[242] Charm production at LHC: an overview	Dr BRUNO, Giuseppe
19:00	[243] Open heavy flavour measurements in pp and Pb-Pb collisions with ALICE at the LHC	LA POINTE, Sarah
19:25	[244] J/Psi Measurements with the ALICE Experiment at the LHC	BLUME, Christoph
19:50	[245] Charmonium dissociation and heavy quark transport in hot quenched lattice QCD	Dr FRANCIS, Anthony
