

International Conference on New Frontiers in Physics

Friday 15 June 2012

Friday Afternoon Parallel IV-1 (16:15 - 17:30)

| time | [id] title | presenter |
|-------|---|----------------------|
| 16:15 | [330] Neutron emission from electromagnetic dissociation at LHC measured with the ALICE ZDC | CORTESE, Pietro |
| 16:40 | [356] Implication of results from heavy-ion experiments for compact stars | CHATTERJEE, Debarati |
| 17:05 | [362] Two Perspectives on the String Landscape | FRIEDMANN, Tamar |
