

# International Conference on New Frontiers in Physics

## Saturday, 16 June 2012

### Saturday Morning Plenary I (08:30 - 11:20)

time	[id] title	presenter
08:30	[310] Quantum spacetime and noncommutative Schwarzschild black holes	Prof. MAJID, Shahn
09:00	[311] String Cosmology and the LHC	Prof. MAVROMATOS, Nikolaos
09:30	[322] Experimental perspectives of atom photon-interactions: From fundamental tests to quantum simulations	Dr MINAR, Yiri
10:00	[312] Quo Vadis Heavy Ions	BRAUN-MUNZINGER, Peter
10:30	[313] NICA Complex - Status and Plans	LEDNICKY, Richard
10:55	[315] Activities and programs of the European Physical Society	CIFARELLI, Luisa
