

Session Program

29 September 2008 to 4 October 2008

Physics at LHC - 2008

Afternoon Working Session - Parallel - B physics

Split, Croatia

Friday 3 October

15:10

Afternoon Working Session - Parallel - B physics

Session | Location: Split, Croatia

15:10-15:35

Measurement of B_s mixing phase β_s

Speaker

Gavril Giurgiu

15:35-16:00

Implications of β_s measurements

Speaker

Luca Silvestrini

16:00-16:20

Prospects for β_s measurement

Speaker

Alessia Satta

16:20
