Summer student excursions

Sverre Jarp
**27 September 2012**

CERN openlab Major Review Meeting 2012

- **Successful two-day excursion (August 2012)**
  - Open Systems (1/2 day)
  - Google (1 day)
  - ETHZ (further studies tutorial)
  - Some sightseeing

Openlab students + IT technical students

- **Are our partners interested in hosting such visits ?**
  - In a European city (within easy reach)

  - During one or two (days/half-days)

  - Mixing serious briefings with interesting social activities
